PASSION

Il mare è la nostra passione. Da oltre 40 anni Ferretti Group è tra i leader mondiali nella progettazione, costruzione e commercializzazione di motor yacht di lusso, un esempio di creazione di un polo industriale attraverso l'acquisizione e l'integrazione di marchi con caratteristiche uniche ma fortemente complementari. I dipendenti di Ferretti Group condividono la continua ricerca verso la qualità, l'eccellenza tecnologica, le prestazioni elevate, il design esclusivo oltre che il comfort e la cura per i dettagli. Dal 1968 l'azienda segue questa passione: un percorso di miglioramento continuo ed impegno per creare imbarcazioni sempre più innovative, performanti, tecnologiche e sicure. Sfide, successi e lungimiranza, rappresentati dalla raffinata eleganza delle imbarcazioni Ferretti Group, che diventano l'elemento di unione tra l'uomo e il mare.

The sea is our passion. For over 40 years the Ferretti Group has been and continues to be one of the world leaders in the design, construction and sale of luxury motoryachts, an example of the creation of an industrial Group pole through the acquisition and integration of brands with unique, but highly complementary, characteristics. Ferretti Group employees share a continuous quest for quality, technological excellence and the creation of breathtakingly beautiful yachts, all which offer the highest levels of performance, comfort and detailing which can only be attained through state-of-the art technology and master craftsmen. Since 1968, the company has pursued this passion: striving for continuous improvement and committed to continuing the pioneering spirit which has set a benchmark in the nautical world. The challenge and successes coupled with a pioneering vision for the future are reflected in the elegance of Ferretti Group yachts, each and every single model creating a unique link between man and sea.

INNOVATION

Da sempre all'avanguardia nello scenario nautico mondiale, Ferretti Group è impegnato costantemente nell'innovazione di prodotto, di processo e nella realizzazione di un continuo progresso in campo tecnologico. Lo studio di soluzioni tecnologiche e progettuali, elevati investimenti e strutture adeguate sono parte fondamentale dell'attività di ricerca e progettazione del Gruppo, che vanta un'organizzazione dedicata al proprio interno. L'ampia proposta di yacht è infatti concepita dal Comitato Strategico di Prodotto e dal Dipartimento Marketing del Gruppo, in collaborazione con Ferretti Group Engineering, il team degli ingegneri e architetti dell'azienda, fra i più competenti al mondo nell'ambito della progettazione navale, ed AYTD (Advanced Yacht Technology & Design), il centro di ricerca del Gruppo, tutti impegnati nel comune obiettivo di coniugare qualità, attenzione per il design e cura rigorosa dei dettagli con sicurezza e ottime prestazioni in mare.

The Ferretti Group has always been on the cutting-edge of the nautical world, and is committed to constant product and process innovation and continuous progress within the sphere of technology. Studying technological and design solutions, making significant investments and creating suitable structures, are a fundamental part of the Group's research and development work, a expertise which is kept in-house precisely for this purpose. The extensive range of yachts on offer is, in fact, initially conceived by the Product Strategy Committee and the Marketing Department of the Group, in collaboration with Ferretti Group Engineering, the team of designers and engineers who are among the industry's most talented minds and skillful professionals in naval design and architecture, and AYTD (Advanced Yacht Technology & Design), the research centre of the Group. All as a result are involved in a single purpose: to combine quality, attention to design and painstaking care over detail with safety and performance characteristics.

EXCELLENCE

L'eccellenza è parte del DNA di Ferretti Group, che vanta un portfolio di alcuni marchi tra i più esclusivi e prestigiosi della nautica mondiale: Ferretti, Pershing, Itama, Bertram, Riva, Mochi Craft e CRN, tutti rappresentanti della migliore qualità e artigianalità del settore nautico. Ferretti Group coniuga armonicamente le peculiarità individuali di ciascun brand con i valori e le best practice condivise. Tradizione ed esclusività, i simboli più classici del Made in Italy, contraddistinguono tutte le imbarcazioni del Gruppo che diventano concreti ambasciatori del perfetto equilibrio tra forma e funzione. Sono questi gli elementi distintivi che gli armatori da sempre riconoscono in Ferretti Group: ricercatezza nel design, materiali esclusivi e della miglior qualità, tecnologie all'avanguardia, servizi accurati e puntuali.

Excellence is in Ferretti Group's DNA, a company which boasts a portfolio of some of the most exclusive, most prestigious brands in the nautical world: Ferretti, Pershing, Itama, Bertram, Riva, Mochi Craft and CRN, all of which represent the best quality and artisan skill in the nautical sector. The Ferretti Group harmoniously combines the distinctive features of each brand with their values and shared best practices. Tradition and exclusiveness, the most classical symbols of Made-in-Italy products, stand out on all Group yachts, which become tangible ambassadors of the perfect balance between form and function. These are the distinctive elements owners have always recognised in the Ferretti Group: refined design, exclusive materials crafted of the highest quality, cutting-edge technology and a suite of services aimed at giving our clients a seamless ownership experience.

PASSION

La mer est notre passion. Depuis plus de 40 ans, le Groupe Ferretti est un des leaders mondiaux dans la conception, la construction et la commercialisation de motor-yachts de luxe, un exemple de la façon dont on peut créer un pôle industriel au moyen de l'acquisition et de l'intégration de marques très différenciées mais fortement complémentaires l'une avec l'autre. Les salariés du Groupe Ferretti contribuent à la recherche constante de plus de qualité et d'excellence technologiques, de prestations hautement qualitatives, de design exclusif de confort et d'attention aux détails. Dès 1968, l'entreprise poursuit cette aventure : un parcours balisé par des améliorations continues et des efforts visant à la création de bateaux de plus en plus innovants, performants, de pointe et sûrs.

Des défis, des succès et de la clairvoyance qui se sont traduits en l'élégance raffinée des bateaux du Groupe Ferretti, devenus le trait d'union entre l'homme et la mer.
