3rd Bordeaux 60 Rendez Vous in Bonifacio

A bracing event !

On June 10, 11 & 12, 7 Bordeaux 60 met in Bonifacio for the 3rd edition of the Bordeaux 60 owners Rendez Vous, organized in partnership with the town of Bonifacio, Raymarine, SGB finance and Volvo Penta.

With winds varying from 25 to 35 knots (and a few gusts over 40 knots!), the 7 Lebanese (with Philippe Briand on board), German, French, Spanish, Italian and British crews competed during 2 days. With courses between the point of Sperone, Cape Feno and the Lavezzi islands, participants also had an exceptional opportunity to discover southern Corsica and admire the magnificent Bonifacio cliffs.

Between friendly races, local food dinners and lively evenings, the Bordeaux 60 Rendez Vous was this year again a great opportunity to sail together in an idyllic setting and share unforgettable moments.

All crew and owners agreed that they wanted to come back to Bonifacio next year, in consideration of the fantastic sailing grounds of course, but also thanks to the outstanding quality of the reception of the town and the harbour offered.

See you next year !
