Lee Marine International Marine Brokerage has grown to become Thailand’s leading yacht sales and service company offering a complete range of new and pre-owned vessels.

Since its incorporation in 1997, Founder and CEO, Joshua Lee’s vision of a proficient, organised brokerage company continues to flourish. Lee Marine’s success combines passion, integrity and expertise. At the core, the highly qualified Team is focused on professionalism and client satisfaction.
Thailand is a boating paradise with the Andaman Sea to the west and the Gulf of Thailand to the east. Sublime weather, countless islands, marine national parks and access to the whole of South East Asia makes Thailand a perfect choice. Whether cruising, sailing or diving, with some of the world’s best cruising grounds and easy access to world-class marinas, there truly is no better place to buy and own a boat.

Phuket, the Pearl of the Andaman Sea is home to superb marinas offering year round boating opportunities. Served by its own international airport, Phuket offers regular connections to points throughout South East Asia and the world. Owners, families and friends can be on board their vessel in no time. Stunning destinations await exploration – Phang Nga Bay, Krabi, Phi Phi Island, Similan Islands and Surin Islands are all within easy reach of Phuket.

PRODUCT LINE

AUTHORISED DISTRIBUTORS FOR:
CRN takes care of every pleasure vessel it creates even after it has been delivered, ensuring full support to its Owner and its crew. The Yard leads the Owner step by step into a world where industrial processes and craftsmanship harmoniously and passionately blend together, with the aim of turning his desires into reality.
The Ferretti Yachts of today are the culmination of nearly 50 years of experience and technological innovation. The Ferretti mission is one of excellence before, during and following the purchase of the world’s best flying bridge, planing motor yachts.
As part of the Ferretti Group, Custom Line was established 20 years ago to meet the demand for a range of larger tailor-made yachts. Both planing and semi-displacement models are included, capable of delivering the ultimate cruising experience.
Pershing Yachts build exclusive, high performance yachts that turn passion into emotion for their clients. More than extraordinary boats – these are moving ideas. Ideas that select the highest levels of technology and exploit their potential with brilliant, original thinking in revolutionary drive systems, designs and ambitious layouts.
With nearly 180 years of history and quality craftsmanship, Riva is the pinnacle of design and epitome of style, refinement and luxury. Twenty years ago, Riva motor yachts – classical Italian spirit and character, envied worldwide, joined Ferretti Group.
From a dream that began over three decades ago has emerged Australia’s most respected manufacturer of luxury pleasure craft. With a full range of Sport Yachts and Offshore Flybridge models, the name Riviera is synonymous with quality and practicality.

Within Riviera, passion and craftsmanship mesh skilfully with the newest technology producing boats that withstand the test of time, while offering superb sea thoughtfulness and reliability.
